ARTICLE III GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A grievance is a claim by a teacher or the Association based upon the interpretation, application or violation

of this agreement, policies, or administrative decisions affecting the terms and conditions of a teacher or a group of teachers.

2. Aggrieved person

An "aggrieved person" is the person or persons, or the Association, making the claim.

3. Party in interest

A "party in interest" is the person or persons, or the Association making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. Definition of Days

Days as referred in this agreement shall mean school attendance days, except as specifically referenced as calendar days.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1A Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

1B A grievance to be considered must be initiated by the person, persons or the Association within fifteen (15) days from the alleged grievance.

2. Year end Grievances

In the event a grievance is filed at such time that it

cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level one—Principal or Immediate Superior

A teacher with a grievance shall submit claim in writing on the approved form to his/her principal. The date of grievance filing shall be the date received by the principal.

4. Level two—Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he may refer it to the Superintendent of Schools.

5. Level three—Board of Education

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within five (5) school days after the grievance was delivered to the superintendent, he may within five (5) school days after a decision by the superintendent or ten (10) school days after the grievance was delivered to the superintendent, whichever is sooner, refer the grievance to the Board.

6. Level four—Arbitration

If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) school days after receipt of a request by the aggrieved person.

- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The Arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the com-

mission of an act provided by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory.

- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association.
